**[CONT OF BASIS OF COMPLAINT]**

On August 30, 2006, a 1999 red Freightliner truck-tractor and trailer entered the IH-35 Border Patrol checkpoint for the purpose of an immigration inspection of its passengers. The inspecting agent determined the driver, identified as Bruno Lozao, to be a United States citizen. During the inspection, a Service K-9 handler advised that his K-9 partner had alerted to truck-tractor. The driver was referred to secondary for further inspection.

At secondary, a search of the truck-tractor revealed five (5) people hidden within the sleeper area. Of the five (5), two (2) persons were hidden underneath a latched bed that would not allow them to exit unless it opened from the outside. An immigration inspection of the five (5) revealed them to be aliens, from Mexico, El Salvador and, Guatemala, illegally in the United States. Lozano and the aliens were placed under arrest and read his rights as per Miranda.

Lozano admitted, in a sworn statement, he was going to be paid \$500.00 to transport the aliens from Rio Grande City, Texas to the 164 mile marker in San Antonio, Texas. Someone else was to pick up the aliens and he was to get paid.

Furthermore, sworn statement given by material witness, Jesus Zuniga-Rodriguez, stated Lozano knew they were illegal aliens and that he was present at the time when they were getting into the truck-tractor. He further stated he was to pay \$1500.00 to be smuggled to San Antonio, Texas.
